MARK SONDER PRODUCTIONS HAVE CREATED THEIR OWN BAILOUT

September 22, 2009 Washington DC: Mark Sonder, CSEP, Chief Entertainment Officer at the award-winning national leader of headline entertainment production company Mark Sonder Productions, Inc. (MSP), is proud to announce that his company is doing their part in breaking apart the US economy and creating their own bailout!

From coast to coast, MSP has found or created work this summer and fall from booking Pops in the Park in Connecticut with the New York City Big Band to booking country great Mark Chesnutt at The Granada Theatre in Oregon as well as in between with a tour of Linwood Peel's Tribute to The Drifters in Michigan culminating at The MGM Grand Detroit. This fall Sonder signed the exclusive representation of the world-renown mentalist Alain Nu and his new show "Invisible Connections."

"Mark Sonder Productions continues to deliver quality music and entertainment with our cutting edge products and services. MSP is the first agency to receive a testimonial from recording artist Eddie Money (2 Tickets to Paradise): "Mark Sonder Productions is the industry expert. They are great to work with because they know all the ins and outs of the business."
